PETITION TO THE COMMISSIONER

Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a petition to (1) grant the filing date of Sep 25, 2003, and (2) enter the attached drawings (or, alternatively use the drawings from the parent application).

The \$130 fee for a petition according to 37 CFR §1.117(h) is attached. It is not believed that additional fees are required; however, if any additional fees are required, the applicants authorize payment of the appropriate fee to be charged to Deposit Account No. 50-1749.

Statement Of Facts

1. The original filing of this application (serial no. 10/669,263) did not include copies of drawings. This was an inadvertent omission.

2. This application (serial no. 10/669,263) is a divisional of parent application serial no. 09/788,330 (now U.S. Patent No. 6,652,830).

3. The Utility Patent Application Transmittal Form that was submitted with the filing of this divisional application included a statement that the incorporation of the parent application (serial no. 09/788,330) can be relied on “when a portion has been inadvertently omitted from the submitted application parts.”

4. A Preliminary Amendment was co-filed with this divisional application. The Preliminary Amendment added a statement to the specification that the parent application (serial no. 09/788,330) is “incorporated herein by reference as if reproduced in full below.”

5. The attached set of drawings (5 figures on 3 pages) is a true copy of the drawings from the parent application.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

Conclusion

A copy of the drawings from the parent application was inadvertently omitted from the divisional application. The entire parent application was incorporated by reference in the divisional application. Therefore, (1) the filing date of Sep 25, 2003 should be granted to the divisional application (serial no. 10/669,263), and (2) the attached drawings (5 figures on 3 pages) should be entered in the divisional application (serial no. 10/669,263).

The Commissioner (or other appropriate authority) is encouraged to call Applicants' attorney at the number provided below to address any issues relevant to this application.

Respectfully submitted,

Date: 23 Dec. 2003
